Total visitors in 2024 were 48,151, with 33% coming from within West Vancouver and 33% from North Vancouver. As well, 7000 students of the WV School District were served.

The beautiful Kay Meek Arts Centre was built with the generous donation of its namesake, Kay Meek. It's a world-class performing arts centre facility, proud to be West Vancouver's jewel. The Directors are committed to stewarding the vision of a world class performing arts centre standing for learning, leading, engaging, and welcoming the community. The Kay Meek Arts Centre offers artistic excellence in the community, FOR the community. It proudly supports the West Van School board for its arts programs and the venue is also the home to the Students' Arts Conservatory programs which run through the summer months. The arts are featured not only through the extensive offering of performances, but also through the art featured on the the walls throughout the lobby. It's purpose is to increase and broaden the opportunities for West Van citizens to enjoy and participate in the performing arts; to create, staff and support an arts centre and to raise the profile of the performing arts in the community.

Programs:

Funding is through ticket sales, donations, sponsorships, rentals and naming rights. We are currently looking to install automatic door openers for improved accessibility to the 2 wheelchair areas in the Grosvenor Theatre. If successful, the monies received from 100WWC would go towards this expense.
